Domanda

Individuali

Was the trip as you expected

10 risposte

- YES
- No

How was the place?

10 risposte

They were welcoming and very nice

nice, I learnt very quickly some streets

it was nice

Cifuentes a village, not very big, but very nice

cold but lovely

very nice, because there were many playgrounds and it was a little village but with many interesting things

It was a nice and quiet village

very nice and cold

Lovely! I was in Cifuentes it was very nice

It was very different from your village? Why?

10 risposte

yes, it is different, because there are more monuments

yes, because it was a different territory

it was bigger

yes, because their houses were completely different, there are more woods and castles that here we don't have

because it was very cold (like 6°) and here in San Vito is warmer

yes because there weren't the sea and rivers but only a little pond

It wasn't different from my village

yes because it is much higher and colder

yes it was different because it was cold

What was different from your village?

10 risposte

the monuments

there were more trees, the playground were respected from users, there was a little pond with ducks

the school was different

they don't have the sea, but they have the swimmingpools

everythings

the food, the weather and the village

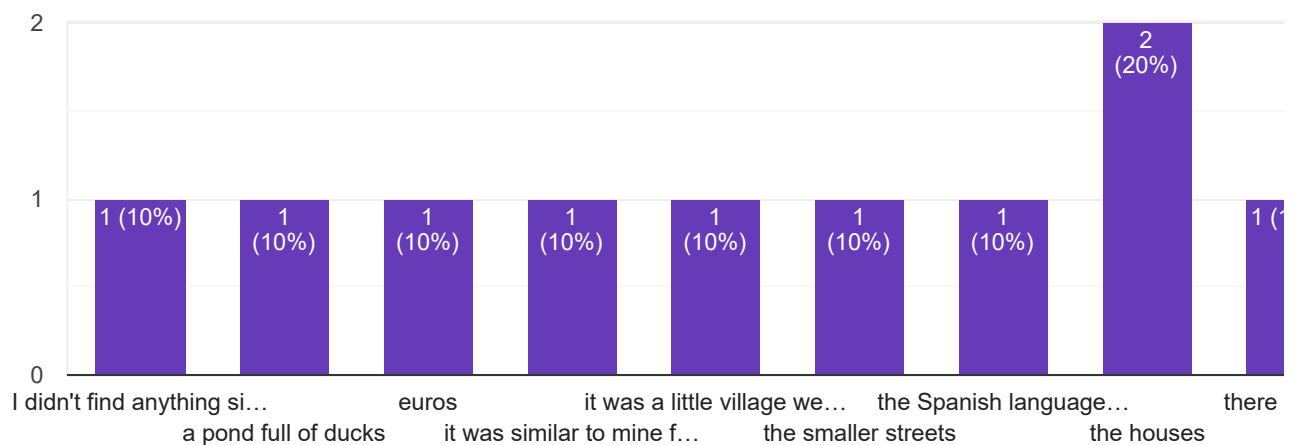

it was far from the sea

it was smaller and it had the nuclear power plants

It was different because there were festivals always

What was similar to your village?

10 risposte

Do you know more about Erasmus project, now?

10 risposte

The project is a trip in foreign countries and meet new people

It is useful to learn cultures, languages and to make friendships

Yes, the Erasmus project is made to learn new languages and make friendships

I know that this project is useful to exchange cultures among different nations

a project that allow you to visit countries to know more the world

obviously. I learnt some Spanish words and also Spanish games.

I know that it is useful to meet people and to know customs of other countries

Erasmus project is useful to make friendship and to learn new languages

I learnt that we need to stay united

In which activities have been involved?

10 risposte

football

I went to school where we made some games and in Madrid to visit historical monuments

we made some brooches and keychains with the letter of our names

at everything they proposed

We visited Madrid, there was a festival, we visited a miniatures museum ecc...

workshop with playdough and ceramic, I didn't make more, because I had the bandaged finger

I played football, walking, visit museums theatre and many games

I made flowers with playdough

I participated at many activities

How do you find with Polish and Spanish friends?

10 risposte

I was fine, but I missed my parents

well, I had a lot of friends, but not all were very friendly

well

I felt very well with Spanish and Polish friends

bad, because they made fun of me, they laughed of me both Spanish and Polish

very well I built ties expecially with the Spanish friends

I felt very well with Spanish and Polish friends, in fact with some of them we shared telephone number and we call each other time to time

I felt very well

verv well

How do you find with the host family?

10 risposte

quite good

well, I would be more polite and interact more with the family

very well

the family was welcoming and very kind

quite well

very bad, because the boy spent all the time in front of TV, he wasn't unpolite and went out with friends without us

I didn't find well with the family because the boy who hosted us didn't stay with us never

They welcome me really well

well

What was the most difficult thing in this mobility?

10 risposte

take care Matteo, he made me crazy day and night

the last days, I argued with the boy who hosted me, so I not feel well

I didn' sleep well

to stay far from my family

to bear the cold there was

thies family

it was stay far from my family

nothing because I had a lot of fun

the flight

What's the most beautiful memory of this mobility?

10 risposte

the most beautiful memory is the family because they loved me

The Cifuentes festival

the flight

The visit at Madrid

the alarm they gave me as a gift

When we dressed up to make a film with Agata, Bogna, Lucia, Julia and another girl that I don't remember the name

the most beautiful memory is when we went to Madrid and we had so much fun

My best meory has been Thzezo beacuse he bring us around for the village

the friendship

Wt did you learn?

10 risposte

I learnt the Spanish language and to listen to the Spanish guides

I learnt a bit Spanish, but overall I learnt that the Erasmus didn't happen often in your life, so I received this opportunity

the language a bit

I learnt how beautiful is the friendship

a bit Spanish and to stay without my parents

That we have share things and it is good don't show dislike for a person as much as possible

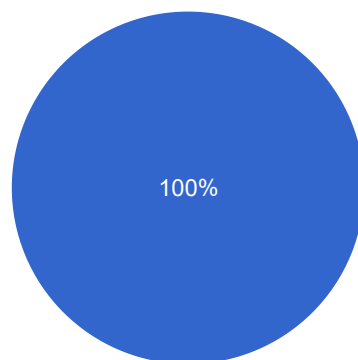

I learnt to sleep alone in a house that I don't know and I learnt how people from another country live

I think to have learn the Spanish language

I learnt to stav united

Would you be involve in another Erasmus mobility?
