Erasmus Is useful for cultural exchange buy not for language teaching. For this reason, the scholl scholl should integrate more hours of Englisch into teaching or projects aimed at deeping it

very very well and with what we lost due to the pandemic it is valued much more

They are good experiences for children and families.

I would love for my son to participate in such a fantastic and enriching project again.

My son is very happy!

no

It was very nice and we are satisfied. ;))
